

Dear CHMS families and incoming 6th grade families,

The attached is a list of recommended summer reading that has been selected to challenge, motivate, and entice students' reading appetites. We are asking students to read at least one of the books over the summer. Language arts classes will begin the year engaged in discussions centered on the book/s your child has chosen to read.

For your convenience, we have set up an online store with Anderson's bookshop for you to purchase summer reading titles for your students. The store will be open from Sunday, April 14th to Monday, April 29th. Items will be delivered to your school the week of May 14th. A portion of the proceeds from the online sale will benefit the CHMS library.

We thank you for your patronage and support.
